RURAL ALLIANCE IN NUCLEAR SCINTIGRAPHY

**MACQUARIE
UNIVERSITY**

THE AUSTRALIAN SCHOOL
OF ADVANCED MEDICINE

**Charles Sturt
University**

Making Technical Excellence the Standard

The scientific program is aimed at a trans-disciplinary approach to major health care issues. Integrative imaging explores the synergies between diagnostic imaging modalities and therapy with a focus on the modalities comprising molecular imaging:

PET and PET/CT

CT and MRI

SPECT and SPECT/CT

DR and CR

Ultrasound

Radiation therapy

Each session in the scientific program will explore the roles of relevant diagnostic imaging modalities, current best practice and treatment options for specific pathologies. The program is aimed at medical, scientific, technical and nursing staff working in Radiation Therapy, SPECT, PET, CT, MRI, ultrasound and CR/DR although other health professionals are welcome to attend. The program will comprise expert key note speakers; prominent and established nuclear physicians, radiologists, specialists and scientists.

This will be the conference you'll remember in years to come!

RURAL RADPHARM AWARD

For those satisfying eligibility for the Rural Radpharm Award (ANZSNM member plus work in a rural classified zone), you can enter a case study in the Rural Radpharm award. Refer to the ANZSNM rules governing this award.

Submit your case study abstract by 5pm 12 October 2011 to matt.ayers@healthcareimaging.com.au. The winner will be funded to the 2012 ANZSNM ASM to compete for the national award and prize. Entrants must be fully registered for the conference.

RAINS AWARD

The Rural Alliance in Nuclear Scintigraphy continues to enhance members CPD experience. Join now (it's free)!

All technical delegates including undergraduate students (radiographers, nuclear medicine scientists, radiation therapists, sonographers etc) can submit a 200 word abstract for a case study, research project or review to gcurrie@csu.edu.au by 5pm 12 October 2011.

The presentation judged to be the most interesting / original including multiple modalities will receive \$1000 support toward the professional conference of their choice. Entrants must be fully registered for the conference and submit their entry for inclusion in the RAINS Newsletter before the November conference.
