16th Annual CPD Conference
Mercure Sydney (818-820 George St)
Saturday 2nd to Sunday 3rd November, 2019

Integrative Imaging Symposium

THEME
Scope of Practice and Advanced Practice
This year we have responded to great feedback from past delegates. Each day will start with a state-of-the-art plenary session for all. After this, on Saturday we will focus on enhanced practice. Sunday after the plenary we will break into streams for workshops and forums.

Integrative Approaches
Multi-Modality
Sustainability

RAINS Rural Alliance in Nuclear Scintigraphy
Charles Sturt University Faculty of Science
Making Technical Excellence the Standard

PROGRAM

Plenary sessions – state of the art
Referrers perspectives
Scope of practice – nuclear medicine and medical imaging
Advanced practice – image interpretation, supervision
CT and CTCA
Clinical techniques / procedures forum
Registrar forum
Diagnostic CT credentialing course for NMTs
Pharmacology course for Radiographers & NMTs
Incorporating NSW Branch of ANZSNM meeting

Details of program, speakers and sponsors to follow

Inspire, Impact, Influence and Innovate.
INVITED SPEAKERS
Dr Sze Ting
A/Prof Ros Francis
Prof Hosen Kiat
Dr Danielle Meyrick
A/Prof Socrates Angelides
A/Prof Barry Elison
Prof Dale Bailey
Nick Ingold
Shallon McLean
Dr Daphne James
A/Prof Geoff Currie
Johnathan Hewis
Alex Magann
Craig Roberts
Dr Andrew Kilgour
Kym Barry
A/Prof Kelly Spuur

Platinum Sponsor
TBA

Program
• Full day program Saturday
• Full day program Sunday
• Plenary sessions (neurology and cardiology)
  • Oncology
• State of the art practice
• Enhanced practice
• Nuclear Medicine
• Image interpretation
• Clinical techniques forum
• Clinical supervision
• Registrars workshop
  • 99mTc PSMA
  • CTCA Workshop

CT Program
• Credentialed Parallel Program
  • CT instrumentation
• CT protocols / procedures
  • CT reconstruction
  • CT contrast

Pharmacology Program
• Principles
• Pharmacokinetics
• Interventional medications
• Nuclear cardiology
  • Contrast

Social
• Friday reception (Eve’s bar)
• Saturday dinner (Harbour cruise)

Program and speakers subject to change
Success = Sponsors x Delegates
Thanks to our amazing sponsors who make this possible each year!
**Standard Registration**

**Registration fee includes:**
- All program sessions
- Morning tea Saturday / Sunday
- Working lunch Saturday / Sunday
- Afternoon tea Saturday / Sunday
- WIFI in meeting rooms
- This form is for radiologists, physicians, nurses, radiographers, and nuclear medicine technologists who **DO NOT** need the CT training for the IA16D or pharmacology course.

**Send a RAINS membership application with your registration form and get the member discount and have 2019 member fee included in your registration (www.rains.asn.au).**

REGISTER FOR CT CREDENTIALING COURSE FOR IA16D LICENCE

Join the 500+ NMTs across Australia and NZ who have completed the RAINS CT course.

CT Certification Pathway

Approved by the NSW EPA (reciprocity confirmed in WA, ACT, QLD, Vic) in 2019 RAINS will re-run the CT certification course to gain licencing for NMTs for performing diagnostic CT (IA16D). CSU students now graduate with full CT certification so qualified practitioners need the opportunity to upgrade in a cost effective, flexible & convenient manner. Similar reciprocal arrangements have been negotiated locally in New Zealand and other states of Australia.

For those wishing to pursue the IA16D licence or equivalent in their state, the program comprises 3 components:

1). Self study module that will be completed in the months April – October 2019.

2). The face to face modules delivered at CT conference in November 2019.

3). A log book of the equivalent of 3 weeks full time supervised practice in diagnostic CT.

Note: Registration in the CT course allows attendance at Saturday and Sunday plenary sessions (session 1 each day).
## CT Certification Registration

### Registration fee includes:
- Part 1 course material including notes, readings and textbook (while stocks last)
- Part 2 CT workshop sessions
- Morning/afternoon tea Saturday/Sunday
- Working lunch Saturday/Sunday
- Part 3 log book
- Part 1 and part 2 examinations
- Certificate of completion (needed for NSW EPA)
- Attendance in plenary sessions of main conference

### Queries or questions?

RAINS and ANZSNM
PHARMACOLOGY COURSE

Certificate Course

Activities with a foundation of pharmacology have been part of the scope of practice of nuclear medicine technologists and radiographers for many decades. Radiopharmaceuticals, contrast, interventional medications, medication cessation, emergency trolley etc. AHPRA / MRPBA registration recognises that the capabilities are the minimum standard for entry and maintenance of registration and also represent our ‘scope of practice’. This includes specific capabilities in domain 5.8:

- apply knowledge of pharmaceuticals relevant to their division of registration:
  - demonstrate understanding of the principles and applications of pharmaceuticals;
  - demonstrate understanding of the risks, precautions and contraindications of pharmaceutical use;
  - apply knowledge of pharmacokinetics, pharmacodynamics and the potential range of reactions to drugs or agents relevant to their division of registration
  - follow procedures to endure delivery of correct pharmaceuticals to patients/clients

This course aims to upskill MRTs to provide evidence for capabilities and comprises 3 components:

1). Self study module that will be completed in the months April – October 2019.
2). The 1 day face to face modules delivered at the conference in November 2019.
3). Online exam and reflection on learning.

Note: Registration in the pharmacology course includes attendance at Sunday plenary session (session 1) and a discount for those that wish to also register for the full Saturday program.
Pharmacology Registration

Registration fee includes:
• Part 1 course material including notes, readings and textbook
• Part 2 pharmacology workshop sessions
• Morning/afternoon tea Sunday
• Working lunch Sunday
• Discount for Saturday registration
• Examination and Certificate endorsed by RAINS and ANZSNM
• Attendance at Sunday plenary of main conference
